

August-October, 2009

Vol. II

We are happy to inform that during the past two months Crews & Pesquera has continued to experience a truly exciting period. Our new television ads are presently being aired in Univisión Channel 26 and WapaAmerica Channel 63 with our new logo and slogan "Tu Mano Amiga". The response has been tremendously positive! We truly are "Tu Mano Amiga". Beginning in September we will join the family of Telemundo Channel 62 and begin to run our commercials. This will expand the audience we reach to offer our exceptional legal services. We invite you to also check out our sponsorship of the "Mega Gente" post within the 98.1 Mega FM radio station's web page. If you wish, you can become a "friend" and receive interesting monthly tips of steps you should follow if you are ever involved in a car accident, slip and fall, medical malpractice or are arrested. We look forward to chatting with you.

Crews & Pesquera, Tu Mano Amiga, continues to support the local community. During the month of July representatives of the law office attended the Brazilian Business Fair held by the Brazilian-American Chamber of Commerce, and we also sponsored a celebration held by the Colombian Association commemorating their independence.

Further, Crews & Pesquera was one of the main sponsors of a "Back To School" function held by Orange County Commissioner Mildred Fernández during which 2,500 school backpacks full of school supplies

were distributed to needy children. We really enjoyed being a part of this activity.

Attorneys Ricardo Pesquera and Janet Pesquera appear in front of our banner together with Commissioner Fernández.

As many of you know, Crews & Pesquera has been a strong supporter of the Down Syndrome Association for many years. This past August 15, 2009, Attorney Bryan Crews served as the keynote speaker at the Statewide Annual Convention held at the University of Central Florida. Our philosophy at Crews & Pesquera is to extend "Una Mano Amiga" not only to our clients but also to children with special needs. If you wish to join us in this endeavor, feel free to give us a call.

We are proud to announce that Ms. Katie Crews, daughter of our senior partner Bryan Crews, was the third runner up at the 2009 Miss Florida Pageant. Crews & Pesquera sponsored this function held in St. Petersburg, Florida, this past month of July. Katie was also awarded a prize for the best overall interview and the best dressed. CONGRATULATIONS!!!

Our Law Office continues to win important victories for our clients. In one case, our client retained our services in a slip and fall situation after firing a well-known Hispanic law firm. Two months after, we negotiated a settlement for \$30,000.00 more than what was offered to the previous law firm. In fact, we have many challenging cases set for trial this coming months demonstrating our commitment to obtain justice for our clients.

Please do not forget to visit our web page [www.crewsandpesquera.com](http://www.crewsandpesquera.com) There is a useful section containing answers to frequently asked questions that will help you clarify many doubts you may have concerning the steps you should take if you are involved in an accident.

To conclude, please remember we are in the rainy season and you must take extra precaution when driving. Nonetheless, if you are involved in an accident, give us a call. Do not forget that Crews & Pesquera is truly "Tu Mano Amiga".

RICARDO R. PESQUERA
